

AGL Resources Private Foundation, Inc.  
Guidelines for Grants

Our key areas of focus are:

**Grants in these categories will be considered in the Q1.**

- **Education** - With an emphasis in reading, math and science, this support includes public secondary schools (K - 12); public and private colleges and universities, and technical schools.
- **Environmental Stewardship** - We support projects such as, clean air, conservation, and green space.
- **Organizational and Supplier Diversity** - We support organizations that reflect the diversity of our workplace and the many communities we serve, and we partner with organizations that provide developmental opportunities and assistance to minority and women-owned businesses.

**Grants in this category will be considered in the Q2.**

- **Community Enrichment** - We direct our support to energy assistance programs; low-income, senior citizen programs; minority and women leadership programs; limited arts and culture events; and the United Way.

**Grants in this category will be considered in the Q3.**

- **Energy Assistance** – We support programs which primarily help low-income households and low-income senior citizens afford their natural gas energy consumption. These programs include weatherization projects and emergency energy assistance.

**Note: The Foundation can consider grant requests only from those organizations classified as 501(c)(3), tax-exempt by the IRS. The Foundation does not contribute to individuals, religious organizations, or private K-12 schools.**

**Please confirm that your organization is located in one of our service territories, and mail your grant request to the appropriate location.**
